

TABLE OF CONTENTS

Introduction

Leslie Hoffman

Earth Pledgexi

Preface

Paul Hawken

Natural Capital Institutexiii

SECTION I: PRACTICE

Eco-Effectiveness: A New Design Strategy

William McDonough and Dr. Michael Braungart

William McDonough + Partners

McDonough Braungart Design Chemistry1

Solar Electric Buildings

Steven J. Strong

Solar Design Associates, Inc.6

The Art of Architecture in the Age of Ecology

James Wines

SITE Environmental Design12

Landscapes that Renew

Diana Balmori

Balmori Associates, Inc.19

Living Buildings

Jason Frederick McLennan

BNIM Architects24

Building Integrated Photovoltaics

Gregory Kiss

Kiss + Cathcart Architects29

Sustainable Design Goes Mainstream

Harry Gordon

Burt Hill Kosar Rittelmann Associates34

Human-Centered Sustainable Design

Kirsten Childs and Randolph R. Croxton

Croxton Collaborative Architects39

The Eco-Office:

Tomorrow's Workplace, Today

Robert Watson and Adam Cox

Natural Resources Defense Council46

SECTION 2: BUILDING COMMUNITY

**Biomimicry, Biophilia,
and Building Community**

William D. Browning

Rocky Mountain Institute55

The Mystic View Task Force

Anne Tate

Abacus Architects & Planners

Daniel DeLisi

Vanasse & Daylor61

Haymount: Planning a Sustainable Town

John A. Clark, David A. Tice, and

Neal I. Payton

The John A. Clark Company and

Torti Gallas & Partners•CHK68

Putting the Emerald

Back in the Emerald City

Nathaniel Cormier

Jones & Jones Architects and

Landscape Architects77

Green Towns

Emilio Ambasz

Emilio Ambasz & Associates, Inc.83

Sydney 2000: The Olympic Village

Neal Ingham and David Winley

Ingham Planning91

Urban Revitalization and

Rural Restoration in Hoeksche Waard

Matthew Taecker

Calthorpe Associates96

Eco-Industrial Developments

Mary Schlarb and Ed Cohen-Rosenthal

Cornell Work and Environment Initiative

Cornell University

Center for the Environment105

Reclaiming the Commons

Karl Linn114

SECTION 3: PUBLIC WORKS

The New Reichstag

Norman Foster

Foster and Partners123**High Performance Building
and Affordable Housing**

Patty Noonan and Jon Vogel

*New York City Housing Partnership and
Jonathan Rose & Companies*129**Sustainable Affordable Housing**

Peggy Huchet

*New Jersey Department
of Community Affairs*136**Green Building Programs:****The San José Experience**

Mary Tucker

*City of San José—Environmental
Services Department*142**Smart Buildings in the Public Realm**

Hillary Brown

*New York City Department
of Design and Construction*147**EnCompass:****Actual Products, Virtual Tours**

Ann Thorpe

*Kings County Commission for
Marketing Recyclable Materials*152

--	-----

SECTION 4: HOMES AND SCHOOLS

The Freedom Lawn Gordon T. Geballe and April Reese <i>School of Forestry & Environmental Studies, Yale University</i>	167
--	-----

House Reclamation: The Sustainable Offspring of Unsustainable Development G.T. Overholt <i>Sustainable Living, Inc.</i>	171
--	-----

Seventies Solar: A Personal Account Philippa Whitcomb.....	176
--	-----

The Hanover House Marc Rosenbaum <i>Energysmiths</i>	180
---	-----

A Passive Solar, Straw-Bale School Laurie Stone <i>Solar Energy International</i>	185
--	-----

Solar on Schools John Rountree <i>Solar Works, Inc.</i>	191
--	-----

Practicing What We Preach

John Schaeffer

Real Goods Institute for Solar Living196

**Taking the Elective
out of Environmental Education**

Wendy Talarico

Architectural Record201

Building Dreams:

An Interview with Samuel Mockbee

Samuel Mockbee with Mindy Fox207

SECTION 5: PRODUCTS AND MATERIALS

Improving Our Processes and Products

Jon Spector

Dornbracht USA, Inc.217

Cool Roofs

Wyndham Bearden

American Hydrotech, Inc.221

Making Windows Responsible

Jim Nieboer

Pella Corporation228

Sustainable Forest Products

Lewis Buchner

VIDA235

Bamtex Bamboo Flooring

Phillip Ray

Mintec Corporation238

Making Low-VOC Paints

Carl Minchew

Benjamin Moore & Co.241

Pretreating Fat, Oil, and Grease

Max Weiss

Jay R. Smith Mfg. Co.244

Flexible Furniture Systems

Carin Ganz

Bretford248

High-Performance

Wire and Cable Management Systems

Don Torrant

The Wiremold Company251

Durable Furniture

USM Marketing Team,

Munsingen, Switzerland

USM Modular Furniture256

The Recycled Office

Gary M. Petersen

Environmental Problem Solving Enterprises ...261

Advanced Green Building

Pliny Fisk III

Center for Maximum

Potential Building Systems.....267

SECTION 6: RESOURCES

Wood From Responsible Sources

F. David T. Arens

Forest Stewardship Council U.S.275**Conservation-Based Lending at a
Community Development Bank**Laurie Landeros, Steve Gutmann,
and Kathleen Sayce*ShoreBank Pacific*280**How a Mortgage Can Make a Difference**

Donna Liu
